

# KAUST STUDENT RECRUITMENT UPDATES

## Greetings from KAUST!

As we settle into the first few months of the academic year at KAUST, we wanted to share recent updates and upcoming events taking place on campus. Please feel free to share the highlights below with your colleagues and students who you feel would be interested in learning more about KAUST.

- The KAUST International Student Recruitment Team

## KAUST Visiting Student Research Program (VSRP)

- Applications accepted throughout the year
- Open to 3rd/4th year undergraduate and MS students
- Over 100+ research focused projects to select from
- Live in an international community
- Find out more [here](#)

## Discover KAUST Programs: Earth Science and Engineering

"We are faced with unprecedented challenges related to climate change, energy transition, natural resources, pollution, and degradation of the natural environment. At ErSE, we offer a range of courses and scientific projects that help students acquire useful knowledge and skills to take on these challenges."

- Prof. Sigurjón Jónsson, Program Chair, Earth Science and Engineering
